Watford Football Club

Background News 1 **News 2/3** Opponents Player Profile Past and Present

What's happening

Comic capers

Several hundred Watford fans visited Sainsbury's on the Dome Roundabout in Watford on Comic Relief Day recently. David Perpetuini, Gifton Noel-Williams, Tony Daley and Clint Easton signed autographs and posed for pictures, helping the Watford store raise some £3,500.

George Fleming

We are sorry to have to report the recent death of our former player George Fleming, who was 64. George made 32 appearances for Watford in the late 1950's, scoring 10 goals. He settled in the Watford area where he was a shopkeeper, and he was also a member of West Herts Golf Club. Our condolences go to his family and friends.

Irish Hornets

A newly-formed Watford supporters group in the Republic of Ireland is looking for more members. Thomas Reilly would be delighted to hear from any other Hornets fans living in Ireland. He plans to arrange meetings and social events for all age groups. For further information contact: Thomas Reilly, 1 Lisroyne, Strokestown, County Roscommon, Republic of Ireland.

Autograph deadline

With the end of the season drawing nearer, we will be imposing a deadline for the autographing of balls, shirts, pictures etc. If you require an item to be signed, please ensure you have it with us no later than 12noon on Friday April 30. These items will then be ready for collection from Monday May 10. Items received after the cut-off date will be signed, but are unlikely to be ready for collection until later in the summer.

On Radio Hornet today:

- 2.15 - Our Elton John song this afternoon is I Guess That's Why They Call It The Blues.
- 2.35 - The current No.1 single, Flat Beat by Mr Oizo.
- 2.40 - Today we go back to December 1975, when we beat Tranmere 3-0. The No.1 song at the time was Earth Song by Michael Jackson.
- 2.45 - Today's Player's Choice is Special Brew by Bad Manners, selected by Dean Yates.
- 2.50 - Build-up to kick-off begins, culminating in Z-Cars as the teams take to the field.

Dutch delight

Northwood FC, where we play our Avon Combination matches, are currently enjoying their annual Dutch challenge. The club's Under-11 and Under-12 teams are hosting their counterparts from Stormvogels FC, an annual exchange trip that has been happening for 10 years. It all began when Northwood member Jan Verschuren and his brother Gerrit - a member of Stormvogels - decided to start a challenge match. The players of both teams will be watching today's game - we hope you enjoy the afternoon.

Pre-season in the Isle of Man

As you may have seen in the local press, we are entering the Isle of Man Steam Packet International Football Festival this summer, which takes place from July 18 to 24. There are two groups of three teams each in the tournament. Watford have been drawn with Oldham and the Isle of Man. The other group comprises Stockport, Wrexham and Tranmere. The Isle of Man Tourist Board are organising packages for fans who wish to travel to watch the Hornets in the tournament. To receive more details, simply send the form printed here (or a photocopy if you don't want to cut your programme) to the address stated.

Programme collection up for grabs

A lifelong Watford supporter has been forced to sell his collection of Watford programmes due to circumstances beyond his control. There are between 750 and 1,000 programmes in total, including European matches and the FA Cup run to the 1984 final. There are also reserve matches, friendlies (including the tours of Norway and New Zealand) and youth team games. Any reasonable offers will be considered - call (01923) 491589 for more details.

New date for Port Vale

Our game at Port Vale, due to be played at Vale Park on Saturday March 27, was postponed due to international call-ups. The match will now be played on **Tuesday April 20, at 7.45pm.**

A word from our sponsors...

Match sponsor: COMPUTACENTER: Computacenter is the largest UK-owned distributed IT systems and services company. The company provides a full range of value added services at each stage of the technology life cycle: **Planning, Requisition, Implementation, Support and Management (PRISM).** This modular offering is designed to give customers the flexibility to choose one, several or all of the services as and when required.
